How y'all doing today?

This corner of the world has seen many changes since 1935, when on June 8th, the Feather River Bulletin reported: "The opening of Cedar Tavern, new summer resort located on the Feather River Highway near here, will be celebrated Saturday night. Mr. and Mrs. W.R. Johnson, the owners will serve free sandwiches at a mammoth campfire."

Now as it was then, this corner is the place where friends and neighbors gather to eat and share the news. The current building was rebuilt in the 1970's after a fire burnt the original structure.

The idea of Neighbors Bar-B-Que is simple. As in the old days, the owner lives and works at the house. The food is prepared daily, fresh and tasty.

Centered between Portola and Quincy on Highway 70, Neighbors Bar-B-Que is celebrating the past while reshaping the future. We are Puttin' Cromberg Back on the Map.

Thank you and y'all come back soon!
